# Expanding your business in Greece

Expanding into new international markets can be challenging due to the many issues to consider and resolve. Our Unlock Greece service can provide expert advice and insight to support you every step of the way. From helping you find the best location, to setting up a branch or subsidiary, we are committed to providing pragmatic and timely advice that allows you to focus on achieving your business goals.

International expansion is an important step, but with a dedicated international business adviser, who takes time to understand your business and customize the specific services you require, you'll know you have the support to manage the risks and maximize the potential a new market offers your business.

Our advisers can help at every stage of your company's growth cycle – from starting-up, raising venture funding, listing on a global exchange, acquiring or merging with another company, or using Greece as a base to expand into other markets – which means that whatever the challenge, we're at your side.
