# Expanding your business in Sweden

Expanding into new international markets can be challenging due to the many issues to consider and resolve. Our team can provide expert advice and insight to support you every step of the way.

From helping you determine the appropriate corporate structure, to setting up a branch or subsidiary, we are committed to providing pragmatic and timely advice that allows you to focus on achieving your business goals.

Our advisors can help at every stage of your company's growth cycle - from starting-up, raising venture funding, listing on the Stockholm Stock Exchange, acquiring or merging with another company, or using Sweden as a base to expand into other markets - which means that whatever the challenge, we're on your side.
